Misinformation Spread
-Users spread misinformation unknowingly
-Harmful content goes viral quickly
-Users aren't educated about verifying information.

Evan Olsen

User Responsibility:
-Poor digital
-Confirmation bias fuels misinformation

Evan Olsen

Algorithm Bias
-Algorithms amplify biased content
-Echo chambers reinforce bias
-Platforms profit from engagement

Evan Olsen

Platforms Incentives:
-Ad revenue depends on high engagement
-Platforms benefit from virality
-Profit prioritized over public safety

Evan Olsen

Moderation Issues
-Lack of human moderation
-Automated moderation misses content
-Reports by users are usually ignored
-Hate speech is not flagged enough times

Evan Olsen

Legal Challenges
-Lack of government regulation
-Free speech laws complicate moderation
-Platforms operate globally
-Difficult enforcing accountability
-Legal loopholes protect platforms from liability
